2011 – Holiday Inspiration – Day 1

My version of the petunia hedgehog PINCUSION project in the book, everyday HANDMADE, by Cassie Barden and Adrienne Smitke. Took about an hour of hand stitching. Hint: use a patterned wool for the body to hide not-perfect stitching like mine ;-)

Made from wool, seed beads (instead of pins for the eyes and nose), and a floss/pearl cotton. I think he needs more company, so I'll make a hedgehog family!

Make this quick component, from the book Beaded Opulence by Marcia DeCoster, into a gorgeous pair of earrings or use as a closure for a necklace.
