2011 – Holiday Inspiration – Day 13

Isn't it precious?

Easy, beautiful, Cover Girl. Guess what generation I'm from... ;P Seriously. Take a strand of pretty semi-precious stones and string them on soft flex, then close with a clasp. Or add spacer beads and tie knots between to stretch a short strand even longer. A few choices are pictured here, but possibilities are endless.

Holiday stress? Make a Runner instead of running all over town for gifts.

Use a simple block to make a center grid and border with a pretty print. Center blocks can be made new or use leftover blocks from finished quilts. The Runner here is made from simple pinwheel blocks made from Thangles. Never used Thangles before? Just come to visit and ask us for help!
