2011 – Holiday Inspiration – Day 17

It's not too late to Deck the Halls.

Wire snowflake forms make it super easy to create Fun & Funky or Bright & Beautiful ornaments, add a little sparkle to wreaths or gifts, or make a set to adorn a family's tree for years to come. Use our wire forms to add beads, twist each filled end with pliers, then add a hanger or ribbon. For extra shine, Swarovski it up with crystals!

For a festive touch to any room...Bunting, Flags, Banners. By any name, they can be FUN or Fancy!

Sew 2 ½" strips (easy from a Jelly Roll) together, then trim into triangles and attach with a length of binding and hang. Another twist: Cut triangles from a solid fabric (instead of piecing strips), then use fusible webbing and contrasting or complimentary fabric to create letters to spell out a saying like "Merry Christmas" or a child's name for room decor.
