2011 – Holiday Inspiration – Day 4

Take to Flights of Fancy! Birds of bright color, patchwork, wool, re-purposed sweaters, bead embroidered ultra suede, wire... Adorned with plumes, crowns, crystals, embroidery stitches, cheer and attitude! We started with the pattern from the book, *Quilt a New Christmas*, by Becky Goldsmith and Linda Jenkins, and follow our own muses. These fanciful fowl are displayed in the shop for your inspiration to start your own fanciful flock. Can you pair each fanciful fowl on our trees with its amazing creator in the shop?

Use them to adorn a tree of your own, adopt them out to special friends, or top gifts of the season and all year 'round.

Make a sparkling entrance anywhere you go. Or adorn your friends... Find sparks of inspiration for wired, seed beaded, jeweled, crystallized adornments for the Holidays or every day.

Some quick gift earring and necklace ideas are on our ideas boards at the shop, along with the board pictured here. Other quick versions and more kicked up versions can be found in books like these. Just ask us for more endless ideas!
